PART F: COLLEGE RULES AND REGULATIONS

Section 15: Terms and Conditions

. Each student is expected to follow the college rules and regulations. It therefore demands that each student will sign the acceptance and commitment to abide by these School rules and regulations set by the Schools.

THE FOLLOWING ARE THE COLLEGE RULES AND REGULATIONS

All students are bound to follow the college rules and regulations

1. Students should owe the college administration and tutors due respect. Open defiance, rudeness and insubordination by a student; carry the sanction of disciplinary action
2. Genuine grievances will only be considered if presented through the right channel as stipulated by the administration otherwise such grievances will be declared null and void.
3. Being drunk or on drugs in /outside the college will lead to suspension from college for the period of not less than two weeks and if repeated, expulsion from the college
4. Theft and physical violence (fighting) in or outside the college will lead to discontinuation from the college
5. Participating in strikes and demonstrations, incitement among other persons in the college will lead to discontinuation from studies in the college
6. Failure to sit for internal or external examinations as well as failure to go for practical training will lead to discontinuation from the college.
7. No one will be allowed to continue to next level of studies unless he/she has satisfied the examiner that he/she has been enabled /able through various internal and external examinations
8. Both male and female students are expected to dress decently. Inappropriate dressing will lead to the concerned student being stopped from entering the college compound/classes until he /she has changed into proper dressing.

9. Students are advised to uphold their morals in and outside college. Behavior which can cause dispute to the college will be dealt severely as the administration may deem fit
10. Paradigms students are forewarned that:
- Our schools should not be used as a platform to promote any politics
 - Students are not allowed to disclose or discuss any school information to anybody including media
 - A student should not be involved in any criminal case
 - Students are not allowed to vie for elective posts in the government or in politics while studying at our schools.

Note: Any student who is involved in any of the above will automatically be expelled from the school.

11. Failure to return school properties such as books, graduation gowns etc as required or destruction of school properties will lead to withholding of results and certificates until the property has been restored/ repaired to the satisfaction of school administrations.
